Dear Andrey,

Congratulations! We are excited that you have been admitted to the Master of Science in Computer Science - Online for Fall 2020. At this time, your application is missing the following items:

> The Office of Graduate Studies requires the following official documents: Technion BS transcript and BS degree document in English and native languages Thomas A Edison St College transcript You have several options in sending your official documents. They are listed below. Acceptable Documents: 1. Official documents sent directly from the university 2. Official documents in the students' possession 3. Notarized documents (the notary must state that the originals were presented)* See attached document 4. Attested copies (attested by the university) 5. Official documents through CertiFile (which can be accessed through the GT graduate application or by logging into your application status checking) *Documents needed in a language that the university does not provide must be translated by a professional translation service How to Send Documents: 1. We can accept electronic transcripts directly FROM THE SCHOOL ONLY. Anything sent or forwarded from the student is considered unofficial and will be rejected. Please have your school send your electronic transcripts to: transcripts@grad.gatech.edu 2. You can mail in your documents to Graduate Studies. Please keep in mind that we do not mail documents back to students. Georgia Tech - Grad Studies 631 Cherry Street, Room 318 Atlanta, GA 30332-0321

You are required to provide **Official** transcripts from all colleges/universities that you have attended, whether or not you received a degree from the school. For any US College/University that you attended and were awarded a degree, please make sure that you request that the degree be posted on the transcript. For any program that you have not completed, please wait until you complete the program to have the final transcript sent. Please keep in mind that you must complete your Bachelors program before you can enroll in a graduate program at Georgia Tech.

*For all applicants who studied in a country where English is not the Official Language you are required to provide your transcripts and degree documents in both English and the Official Language of the country that you studied in.

There are several ways that you can send your final documents to us:

1. We are set up to receive official electronic transcripts sent directly by your college/university. If you are asked to provide an email address, please use transcripts@grad.gatech.edu.
2. You can have the missing documents mailed to our office at the address below:

> Graduate Studies
> 631 Cherry Street
> Room 318
> Atlanta, GA 30332

3. You can use CertiFile to order the transcripts and degree documents (if applicable) for any College/University that you attended outside of the United States. You will need to log into Status Checking to Initiate your CertiFile order. Instructions are provided to walk you through the process.
4. You may also wait and bring the final official documents with you to campus and deliver them to us in person.

Please note: All academic documents received by the Georgia Institute of Technology become the property of the Institute. The Institute scans all transcripts into an electronic application file and destroys the paper copy shortly after

that. **We are unable to return any original or official transcripts to the student.**

Again congratulations and welcome to Georgia Tech!

Graduate Studies
Georgia Institute of Technology

PS: If you not already responded to your offer of admission, please log into status checking and accept/decline your offer.
